

Dr. Dawn Stratton & Associates Small Business Vision Discount Plan

Congratulations,

As an employee of the Fayette County Schools, you are eligible to receive our Small Business Vision Discount Plan. This is an exclusive plan that is not available to the general public. The following will explain your vision benefits and discounts in further detail. In addition to more than 45 years of combined experience practicing optometry, Dr. Dawn Stratton & Associates is dedicated to providing every patient with quality eye care in a caring environment. We provide the latest technology, current eyewear fashions and a one-year guarantee on all frames and lenses. We look forward to serving you for all your eye care needs. Please feel free to contact our office if you have any questions.

We are conveniently located at 155 Moore Drive (off Nicholasville rd)
Phone: (859)275.2030 or visit our website: www.strattoneyes.com

As a Fayette County School Employee:

- This discount applies to you and your immediate family
- We are also a Davis Vision Provider – If you signed up for Davis, you can use our discount towards additional purchases
- No forms needed - member pays directly at time of service
- Discount vision benefits may be used as often as needed

Benefits:

- 40% off entire eyeglass purchase (excluding designer frames)
- 40% off contact lens fitting fees
- 40% off eye examination (excluding Optos Retinal Imaging)

Requirements:

- Must show a recent Fayette County School System pay stub (income may be marked out)
- No other discounts/sales
- No discount on contact lenses
- Once employment ceases, the discount no longer applies
