***Face to Face Providers***

**A Better Grade Tutoring, LLC**

Grades:	K-12
Instructional Focus:	Reading, Math
Description of Services:	A Better Grade Tutoring, LLC assists more students in more states than any other Kentucky-based and owned academic assistance program. Our NCLB-Supplemental Education Services (SES) program is proven beneficial to all learning styles, including children with learning disabilities and English as Second Language (ESL) students. Literally thousands of children have improved their Reading and Math skills through our dynamic one-on-one in-home tutoring program. Our tutors, highly qualified certified teachers and master tutors, motivate and cultivate academic minds through the influence of engaging one-on-one interaction. ABGT's instructors demonstrate integrity, diligence, compassion as well as professionalism and are committed to improving your child's academic abilities. Parent surveys demonstrate A Better Grade Tutoring has a 99% satisfaction rate! ABGT guarantees your child will improve by at least 10%, but many of our students have improved more than 50+%, a full grade level! <b>Serves ESL/ELL students and students with learning disabilities.</b>

**A to Z In Home Tutoring**

Grades:	K-12
Instructional Focus:	Reading, English, Math
Description of Services:	Our Tutors Come To You! A to Z In-Home tutoring offers a one tutor to one student ratio. Our program is custom-tailored to your child's specific needs. All tutoring takes place in the comfort and convenience of your own home. <b>Serves ESL/ELL students and students with learning disabilities (IDEA or 504).</b>

**Achievers' Tutoring of Kentucky**

Grades:	K-12

Description of Services:	Achievers' Tutoring of Kentucky is an in-home one-on-one high quality tutoring provider. We specialize in K-12th grade Math, Reading, English, Science, Social Studies, Chemistry, Writing, and History. In addition, Achievers' Tutoring of Kentucky offers students SAT and ACT test preps to achieve academic success. Each student will receive a personalized academic plan that will be administered by their very own highly educated tutor; all programs come with free over the phone tutoring to enhance student learning. Students leave their program with improved grades, confidence in their academic abilities, and a perspective of achieving their dreams. Come see the Achievers difference. <b>Serves ESL/ELL students and students with learning disabilities.</b>

**ASCEND Tutoring Systems**

Grades:	K-8
Instructional Focus:	Reading, Language Arts, Math
Description of Services:	ASCEND Tutoring Systems provides one-to-one tutoring in the student's home. Our tutors either are certified teachers or maintain a minimum of an associate's degree, with one-year prior experience in education or educational programming. ASCEND Tutoring Systems specializes in designing a custom program developed specifically for each child. <b>Serves ESL/ELL students and students with learning disabilities.</b>

<b>Club Z! Inc.</b>	
Grades:	K-12
Instructional Focus:	Reading & Math
Description of Services:	<p>Club Z! offers two instructional programs to meet the academic needs of your child: one-on-one in-home instruction or Club Z! Choice small group sessions with a low tutor to student ratio to maximize each student's academic achievement.</p> <p>Club Z! tutors work with your child to help him/her succeed where it matters most, in the classroom by using educational curriculum specific to your child's needs that is aligned with state standards. By reinforcing the classroom material and bridging any learning gaps, your child's success will begin to show within a matter of weeks and Club Z! keeps parents informed of the student's progress every step of the way. Students enrolled in the Club Z! program show an average improvement of one (1) full letter grade upon completion of the program. <b>Serves ESL/ELL students and students with learning disabilities.</b></p>
<b>Graham Consulting Group, LLC</b>	
Grades:	K-12
Instructional Focus:	Reading, Language Arts, Math
Description of Services:	<p>Graham Consulting Group tutorials incorporate an intense focus on innovate and effective teaching and learning techniques, assessments, and parental involvement by providing a detailed curriculum that will drive students to mastery in the areas of reading, English, language arts and math. Students are tutored in one-on-one/small group settings following an instructional plan based on their strengths and needs. <b>Serves ESL/ELL students and students with learning disabilities (including ADD, ADHD, and Dyslexia).</b></p>
<b>Imani Tutoring Program</b>	
Grades:	K-12
Instructional Focus:	Reading & Math
Description of Services:	<p>Imani uses a community-based, culturally strategic approach to provide 1:1, small group and large group instruction, as supported by scientific research. We match highly qualified, certified teachers with learners who need extra instruction designed to help bridge student's achievement gaps. Imani also aims to increase parents' involvement by engaging parents while collaboratively working with teachers in establishing goals. <b>Serves students with learning disabilities.</b></p>

Internet Needs:	They provide a laptop with everything included.
Grades:	K-12
Instructional Focus:	Reading, Language Arts, Math
Description of Services:	The Babbage Net School is a self-paced one-to-one computer-based instructional program. We customize and tailor our curriculum to cater to the educational needs of each individual student based on the results of a pre-assessment test and input from parents and teachers. This individualized curriculum is then loaded onto a laptop and delivered to the student to begin tutoring. All necessary technology for the program is included and provided to each student.

### **Click Forward**

Internet Needs:	Computer access with reliable broadband internet service. <b>Click Forward only provides</b> a headset with microphone to each student as part of the service.
Grades:	K-8
Instructional Focus:	Reading, Language Arts, Math
Description of Services:	Click Forward provides a high quality tutoring program in a non-threatening, online environment based on the individual needs of the child. This online tutoring program is provided to any child in Grades K-8 who qualifies for Supplemental Educational Services (SES). Click Forward intends to bring its vast knowledge of online learning to students in need of tutoring in the areas of reading and math. Tutoring will be delivered online to students who have access to a computer, broadband connection and an email account by highly qualified teachers in the child's area of need. This service may be delivered in the child's home or another location of the parents' choice. <b>Serves students with learning disabilities.</b>

<b>Educate Online</b>	
Internet Needs:	Home must have a working landline telephone. <b>Educate Online</b> will provide a computer (plus Internet if needed). Students who complete the program earn the right to keep the computer.
Grades:	K-12
Instructional Focus:	Reading, Math
Description of Services:	Educate Online is America's leading provider of live, personalized, at-home tutoring -- all instruction takes place on a computer (plus Internet) provided by Educate Online. Students log on from home while a teacher logs on from another location, and using headsets and a shared desktop, they can speak to one another and work together effectively. Students who complete the program earn the right to keep the computer. Students take two to four 60-minute sessions each week. All sessions take place in the student's home – eliminating the need for transportation. Sessions are available seven days a week and are taught by U.S. state-certified teachers; student-to-teacher ratios do not exceed 3:1. <b>Serves ESL/ELL students and students with learning disabilities.</b>
<b>Ivy League Tutor</b>	
Internet Needs:	Home must have a working landline telephone. <b>Ivy League</b> will provide a computer with internet access and their education software.
Grades:	4-12
Instructional Focus:	Reading, Language Arts, Math
Description of Services:	Ivy League Tutor is an online supplemental educational services provider that uses an effective individualized, self-paced instructional program. At the beginning of the program your child will receive a computer accompanied by internet access and our education software. Our tutorial staff will provide the support and assistance needed to assure success within our program. <b>Serves ESL/ELL students.</b>
<b>Kentucky Virtual Campus</b>	
Internet Needs:	Student will need a computer, up-to-date operating system, and reliable Internet connection is required. This is not provided by KY Virtual Campus. (Not recommended for Mac)
Grades:	K-12
Instructional Focus:	Reading, Math
Description of Services:	Kentucky Virtual Campus offers PLATO Web Learning Network, which is a rigorous, interactive and easy to use internet program. Initial assessment in the Fastrack curriculum establishes a starting skill level in reading or math, and generates a customized learning path based on the assessment. Students move at their own pace, are exempt from skills they already know, and move forward when skills are mastered at 80%. Modules in the Fastrack curriculum include tutorials, applications and mastery tests. A computer, up-to-date operating system and reliable Internet connection is required.
