

The Sophie Routt Memorial Playground

This playground is dedicated to the memory
of Sophia Caroline Routt.

To all children who play here:

May you feel Sophie's tenacious spirit and
the positive energy that surrounded her.

May you know out of tragedy can come wonderful things.

May you continue to experience the goodness
in people that made this playground a reality.

Most of all, may you realize Sophie's name
is on this playground because you are loved.

Thank you to all who contributed
effort, money and love.
