

16th District PTA EDUCATION ADVOCATES

INTRODUCING A NEW OPPORTUNITY FOR EDUCATION ADVOCATES IN FAYETTE COUNTY!

Do you care about what happens in education, but don't have kids in a school right now?

Would you like to see kids perform better in school?

Do you think we need more voices for kids?

Then 16th District PTA **Education Advocates** is for you. Education Advocates will focus on maximizing resources for students and PTAs on a citywide level.

Research proves that parent engagement increases student achievement, regardless of race or economic situation. Education Advocates will build on existing PTA programs and develop new ways to get parents engaged, communicate with the community about education and find ways for the needs of children to be heard in government.

Where will my money go?

- Parent engagement programs
- Countywide programs for kids
- Networking and idea sharing among parents
- Partnerships to support education
- Awards for Parent Leadership
- Marketing and PR about PTA and the importance of parent involvement
- Arts in Education
- Advocacy for kids
- Training for Parent Leaders
