- Have a healthy breakfast.
- Change out of pajamas and into clothing appropriate for school.
- Brush teeth.
- Be on time for all meetings.
- Check that the Chromebook and home internet are working at least 5-10 minutes before the school day begins.
- Have all materials ready when the class meeting begins.
- Use the restroom before the start of the meeting.
- Sit in a quiet place to work without distractions.
- Keep the camera on and microphone muted unless instructed otherwise by the teacher.  
(Guardians: Please contact the teacher if there is a reason the camera can not be on at all times.)
- Listen attentively and stay engaged by answering questions when asked.
- Wait until permission is given to share ideas and answers.
- Respect others' responses and ideas.
