

2022-2023 School Year

Dear Parents,

Are you looking for an enriching and fun place for your child after school? Welcome to the Leopard's LEAP, Lansdowne's Enrichment After School Program for the 2022 – 2023 school year. A staff of dedicated teachers and assistants will provide a series of meaningful educational opportunities for your child in the after school program. Together, we can provide a fun, safe, and nurturing environment for your child to thrive throughout the school year.

The location of the LEAP program will begin in the multipurpose room at Lansdowne Elementary with a nutritious snack, then include enriching opportunities in the media center, the gymnasium, and the art room. A daily routine of exercise, homework time, and various enrichment activities will allow your child the opportunity he/she needs to become a more well rounded individual. Homework time is supervised, although we don't have the staffing to provide "one-on-one" instructional time.

Lansdowne's LEAP is open to any child attending Lansdowne Elementary School, kindergarten through 5th grade, as long as space is available and the proper staffing is in place to care for the needs of each child. We reserve the right to limit each class size based on staffing and the amount of attention each student requires. Often times, smaller children require more direct assistance and therefore we must monitor the class numbers.

Lansdowne's LEAP Program is a state licensed after school care facility, and we adhere to the guidelines required to maintain this status. For parents that qualify, assistance to participate in the LEAP Program is available.

By completing all of the needed paperwork and signing your child up for the LEAP program, you are agreeing that you and your child will adhere to our discipline and payment guidelines. Failure to do so may result in probation/dismissal from the program. Our goal is to keep each and every student healthy and happy while attending our program. Please feel free to discuss the program with our director, Betty Simson, or make an appointment to meet with school administrators. We can be reached Monday-Friday 8:00-3:00 at 381-3500, or after 3:00 p.m. at 381-4976.

**Sincerely,
Betty Simson, LEAP Director**
