

E.J. Hayes Middle School

Accelerated Learning Program

EJHMS invites any 5th grade student, interested in taking accelerated classes, to apply for the Accelerated Learning Program (ALP) for the upcoming 2022-23 school year. ALP classes provide a rigorous, fast-paced, and challenging approach to learning standards in Math, Language Arts, Science, and/or Social Studies.

Interested students must qualify for ALP classes based on our placement policy, which includes taking a placement test along with previous MAP, KPREP, and/or GT data. ALP students MUST live within the EJH school district. This is NOT a magnet nor GT program.

Join us for an informational zoom session on Wednesday, February 9th at 6:00. Details and registration located on the EJH website.
