Incoming MSTC AP Calculus BC Students:

I look forward to seeing each one of you in August. In order for you to be prepared for MSTC AP Calculus BC, you will need to spend some time this summer reviewing some important topics, terms, and concepts from previous coursework. Directions are listed below to access your assignment. We will discuss any questions you may have on your first day of class. Please come to class prepared with these questions in detail.

See you soon!

Ben Crawford

Directions to Access Summer Assignment:

- Go to deltamath.com
- Choose "Create Account" and select "student"
- Enter the Teacher Code: 206997
- Create an account using your name and an accessible email address
- Under "period" choose MSTC AP Calculus BC
- Once you sign in, you will see the assigned problems. Complete these to an assignment score of 100% before the first day of school.
- Feel free to use the help features, such as "Watch help video" and "see solution"
