

Crawford Middle School In-Person and Remote Schedule Effective: March 8, 2021

Beginning March 8, 2021, all students, whether learning in-person or remotely from home, will follow this schedule. Middle schools will start 10 minutes later due to transportation routes. We will also dismiss 10 minutes later, at 4:05 pm. Our teachers will teach in-person and remote sections of their classes, so we must adjust our times to meet the needs of all students. Please note that not all grade levels have the same class times. This allows us to stagger transitions in-person to allow for less students in the hallway at one time. The class that a specific grade level has lunch is highlighted in green. Specific lunch times will be communicated to students by their teacher.
