

Dear Harrison Families,

In-person learning began today for our K-2 students. It was great to see so many smiling eyes walking through the doors. Thank you for completing the Health Assurance Form and for sending students to school with backpacks and Chromebooks. Your support has already made a difference and will make the transition to in-person learning easier for all of our students.

Attached is a hard copy of the information packet I sent home last week with two changes: a REVISED bus stop schedule and a revised CAR RIDER time. These changes will begin Tuesday, February 23rd for in-person learning. NTI2DL continues for third through fifth grade learners until we implement **PHASE 2** of the return plan for 3rd-5th grade tentatively scheduled for March 3, 2021 if conditions allow.

Thank you in advance for reading this information carefully and for your partnership. We appreciate you and are here to help. If you need anything at all, please call the office at 859-381-3418 or message your teacher or a member of the Student Support Team on Class Dojo.com. Have a wonderful semester! I look forward to seeing you in school whether learning in-person or remotely

Sincerely,

Mrs. Franks

Principal

NEW - Healthy Kids Clinic

If you would like the option of having your student seen by our Healthy Kids Clinic staff, please complete the form attached and return it to school. :)

CONTACT INFORMATION

Staying in touch is more important now than ever, if your contact information has changed, please let us know right away. You may call Ms. Jackson in the office at 859-381-3418 between 8:00 and 3:30, or message your child's teacher.

SNOW DAYS AND RETURNING TO NTI2DL

If we must have a **return to remote learning** for everyone due to the virus or weather conditions, the students in **Phase 1 remote** will follow their schedule. All other students will **return to the NTI2DL schedule** with the specials changes listed.

SCHOOL DAY

IN-PERSON LEARNING - The school day begins at 7:35 a.m. and ends at 3:15 p.m.

REMOTE LEARNING - The school day begins at 7:45 and ends at 3:15 p.m.

STAGGERED ARRIVAL

To maintain social distancing and ensure the safety of our students during arrival and dismissal, we will have a staggered arrival process. Students will be screened for temperatures before entering the building. Please note the following:

- 7:05 - **Bus Riders only** will arrive at school at 7:05 a.m. Staff will screen bus riders before entering the building if no bus monitor is present.
- **7:10 - Car riders and walkers may begin arriving at 7:10 a.m.** The Jefferson Street gate will remain closed until this time and the car rider lane will open promptly at 7:10 a.m. **Please do not arrive early as congestion will build on Jefferson Street.** Staff will greet each vehicle and screen students for temperatures while students are still in the car. Students arriving by car with a temperature will not be allowed to enter school. Students will walk under the overhang and enter the building through the playground entrance doors at the back of the school.
- **7:15 - Walkers** may begin arriving at school entering on Bruce Street through the left double doors by the cafeteria. Social distancing spaces are marked on the sidewalk under the overhang and students must wait to be screened by staff. We encourage families to walk their children to school and wait with them to be screened. Should students arrive at school with a temperature, they will need to go home.
- Bus stop information is included at the end of this document.

DISMISSAL

We will utilize a staggered procedure for dismissal to maximize social distance and ensure the safety of our students. Please note the following:

- Scripted dismissal announcement at 3:10 p.m. reminding students and staff of safety expectations.
- Walkers dismiss first through Bruce Street doors by the cafeteria promptly at 3:15 p.m.
- Dismissal procedures for bus riders begin with grade by grade and bus by bus dismissal at 3:15 p.m. Buses arrive on Bruce Street at 3:05.
- The Car Rider Lane on Jefferson Street will open at 3:10 p.m. **PLEASE DO NOT ARRIVE EARLY** for the safety of our students on the playground.
- **THE CAR RIDER LANE IS A RIGHT TURN ONLY.**

HEALTH ASSURANCE

Before sending students to school, **families must have registered for in-person learning** and have a completed [Family Health Assurance Form](#) on file.

There are several options for submitting the form including:

1. completing the digital form at this link <https://www.fcps.net/digitalforms> (preferred option)
2. submitting a picture of the completed form to homeroom teachers on Class Dojo
3. sending a hard copy of the form to school with students on the first day back to campus.

This form serves as a reminder of our mitigation measures and your agreement to help keep students and staff safe and healthy at school.

To help with the spread of the virus, all back to school forms can be completed digitally and are found at this district link <https://www.fcps.net/digitalforms>. The district has announced the possible return of third through fifth graders on March 3rd if conditions warrant. You may submit forms now for these students as well.

MASKS & SAFETY EXPECTATIONS

Everyone is required to wear a mask at all times while in the building or on the bus, with the exception of those who have a medical exemption or ARC-determined exemption. All families need to be aware that there could be students in their children's classroom or on the bus who have a mask exemption. Medical exemptions must be submitted to the school before coming to campus the first day. Students who refuse to comply with safety expectations will be disciplined according to the FCPS Student Code of Conduct.

CHROMEBOOKS AND BACKPACKS

Students must carry a backpack to school daily. Backpacks are used for transportation codes and now, students must transport their Chromebooks to school daily to be prepared in the event of a sudden return to remote instruction. If you need a backpack, please let our FRYSC Coordinator, Ms. Huffman, know.

WATER BOTTLES

Students have been provided water bottles from FCPS and our partners at Kiwanis. Students are only allowed to fill their bottle with WATER. No other drinks are permitted. Students will be given time to refill their bottle daily.

DRESS CODE

We will follow the school dress code this year. Please let Ms. Huffman know if you need help with school uniforms, shoes, coats, or winter clothing. Our partners at Kiwanis and Christ Church Cathedral have purchased one school sweatshirt for each student. :)
