

Beaumont Fall 2020 Athletic Information

Below is information for each of our fall athletic teams. In order to participate with any of our teams, students must have a current, completed KHSAA Physical Form that can be either dropped off to the Main Office between 8:30 and 3:30 Monday-Friday or emailed to Denis.Beall@fayette.kyschools.us.

Strict guidelines have been put in place by the KHSAA, FCPS, and the Fayette County Health Department for students to participate.

- As of now, we only have guidelines for teams to be able to do conditioning. **All tryout and clinic dates are tentative pending permission from the district.** Please check the Beaumont website for updated information as we receive it.
- Students cannot carpool to practice. When they arrive students will have their temperature checked and will be asked to leave if they have a fever of 100° or higher or have exhibited any symptoms from COVID-19. Parents need to stay until their student passes the check in procedures.
- Students must wear a mask prior to and immediately at the conclusion of all school-sponsored activities.
- Students need to bring their own water bottle and hand-sanitizer and cannot share with anyone.
- Only coaches and students can attend practices. Parents need to stay in their car during drop off and pick up.
- Parents need to enter the parking lot by entrance by the front doors of the school and exit the parking lot on the other end closest to the apartments next door
