Parent Communication (Cont.)

- Canvas

- Learning Management System used by middle and high schools in Fayette County
- You can download Canvas Parent app and pair your account to your student to see assignments, messages, etc.
- To pair your account, have your student log into their account, go to Settings, and click on Pair with Observer to get a code for the app.

eOS

- This is an online behavior management system that we use to track student progress for 3 school wide expectations:
 - *Prepared for Class, Respectful, and Meets Class Expectations*
- Students can gain up to 3 points per class for meeting all expectations
- Students must have 90% of their points in order to attend school wide incentives (ex. School dances)
- Students can also earn eBucks to spend with team incentives for doing positive things throughout the day.
- If a student has an unexcused absence, then they lose all the points for that day. Students must turn in a note to get an excused absence.
- Students must wear their ID/Badge during the day to get all of their eOS points. A replacement lanyard and badge costs \$3.

Volunteering at Beaumont

- We love to have parents come in and work with students and/or teams during school activities and field trips.
- In order to be a volunteer, you must have an approved background check done by FCPS.
- Go to www.fcps.net, click on Menu->Families->Volunteering. Then complete the Application and interest/availability survey to start the process.

Teams at Beaumont

- We have 2 teams in each grade level for the 2022-2023 school year:
 - *6th Grade: Pegasus and Stampede*
 - *7th Grade: Champions and Thoroughbreds*
 - *8th Grade: Pacesetters and Winning Colors*
- Creates 6 small schools within a big school
- Teams are organized in pods so that teams of the same grade level are not near one another. We also have a staggered bell schedule so that only one grade level is in the halls at any given time.
- Each team works with the same group of students
 - *Allows for consistency for students*
 - *Allows the team of teachers to work closely together to help all of our students be successful*

Arrival at School

- School hours each day are 9:05-3:55
- Buses use the main parking lot to drop off students from 8:35-9:05

- 6th Graders report to the cafeteria if they arrive before 8:45 or if they would like to have breakfast

- Cars line up in the pick up circle
- If you are going to park on the street to pick up your child, please have them cross at the crosswalk by the entrance to the pick up circle. Also, please be a good neighbor to the homes around our school.
