

Student Name:

Bryan Station High School Academy of Medical Sciences
2018 Summer Reading Project

Step 1:

Directions: in the space below, write the definition of Medical Ethics. Then briefly describe how Medical Ethics is important in the text, *The Immortal Life of Henrietta Lacks*.

Definition:
Relation of Medical Ethics to the text:

Step 2:

Directions: Using your copy of *The Immortal Life of Henrietta Lacks*, complete this document in its entirety by the first school day of the 2018-2019 school year. As you read the text:

- Track violations in medical ethics
- Track questionable moments (gray areas) in medical ethics
- Reflect on how the culture of the time period influence the questionable ethics; consider the historical context (time period) in which the story takes place
- Do a total of 5 entries answering the three above bullet points using the chart below

ENTRY #1:			
Page # or #'s	Summarize the situation taking place in this scene of the text.	What medical ethical code does this violate, or what gray area in medical ethics does this situation create?	Why was this situation able to occur if it violates medical ethics? How do you think Henrietta Lacks would feel about this situation?

Student Name:

ENTRY #2:			
Page # or #'s	Summarize the situation taking place in this scene of the text.	What medical ethical code does this violate, or what gray area in medical ethics does this situation create?	Why was this situation able to occur if it violates medical ethics? How do you think Henrietta Lacks would feel about this situation?

ENTRY #3:			
Page # or #'s	Summarize the situation taking place in this scene of the text.	What medical ethical code does this violate, or what gray area in medical ethics does this situation create?	Why was this situation able to occur if it violates medical ethics? How do you think Henrietta Lacks would feel about this situation?
