

## **Crawford Middle School Students and Families,**

As we prepare for our students to be out of the building March 16 - April 5. We thought it would be important to send home some information that may be useful.

From March 16-19, families will only be able to physically access the building on Monday, March 16

If your student takes medication, please come pick this up on Monday, March 16 in the front office from 9:00 am – 2:00 pm or make arrangement by calling 859-381-3370.

\*FCPS Mental Health District Specialist (MHDS) will be available to provide services to students during this time out of school. Please call 381-4100 to reach someone for services

\*The Crawford Middle School Youth Service Center will be open March 16-20 and March 23-27. Please contact Mr. Booker at 381-3382 for any questions or resource needs.

**Community Resources:** If you are in need of basic needs assistance, please remember that many community resources may have a higher volume of need at this time, and/or not be open to ensure the well-being of their employees.
