How to do Business

What rules do we follow?

- **KRS 45A Model Procurement Code**

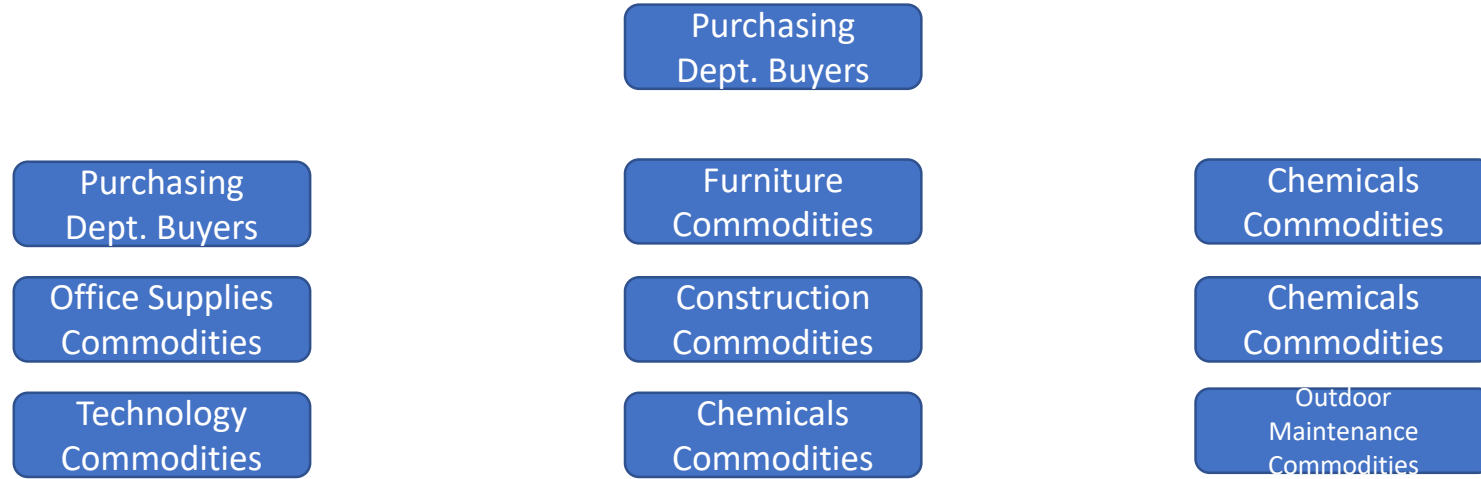

- Expenditures of public funds by local public entities (e.g. cities, counties, school districts), which have adopted the KMPC pursuant to KRS 45A.343 to 45A.460

- There are 5 general methods of procurement:
 1. **Cooperative Purchasing**
 2. **Small purchase process**
 3. **Competitive sealed bidding**
(Invitation for Bids – IFB)
 4. **Competitive negotiations**
 - (Request for Proposals – RFP)
 5. **Noncompetitive negotiations**
(Sole Source/Not practical to bid)

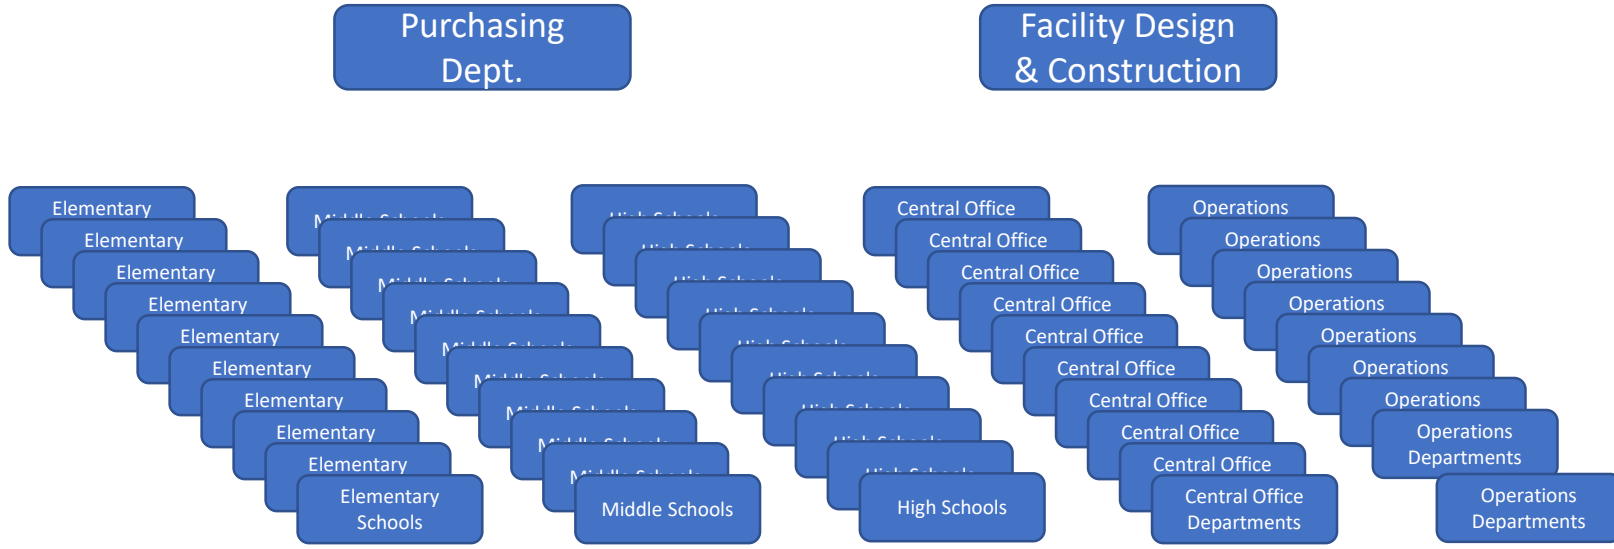

- Typical government purchasing set-up is centralized

- Buyers in Purchasing handle solicitations and purchases

- FCPS Purchasing is not centralized

- Purchasing/FD&C large solicitations and schools and departments are buyers

FCPS Purchasing Procedures
