

Out of Area Agreement

(Signed copy is to be placed in cumulative folder)

Fayette County Policy (09.11) regarding Out-of-Area approvals and probationary status clearly states OOA status can be revoked for poor attendance, behavior, and poor academic progress. If your student fails to meet attendance, behavior, and academic progress, your child's records will be sent back to their home school.

OOA School: _____/Enrollment reason _____ Date: _____

Parent Guardian Name: _____

Home Address: _____ Home School: _____

Student Name: _____ Grade: _____

Any **one** of the following three requirements will revoke your Out of Area probationary status:

1) ATTENDANCE: The parent agrees that if the student accumulates more than six unexcused absences and/or nine unexcused tardies during the school year, the probationary status will be revoked.

2) BEHAVIOR: The parent agrees that if the student has discipline referrals, SAFE Placement or Out-of-School Suspensions, the probationary status will be revoked.

3) GRADES: The parent agrees that if the student has failing grades, then the probationary status will be revoked.

I, the parent or guardian, understand and agree to follow Fayette County policy concerning attendance regarding excused/unexcused absences and turning in notes for absences and the policies regarding behavior found in the Statement on Rights and Responsibilities and Student Code of Conduct. I know that my student must make passing grades to remain at this school. Your child's "out of area permission" can be revoked at any time.
