Go Green + Earn Green Details and Fine Print

Schools demonstrating efforts to reduce energy consumption are eligible to earn **Go Green + Earn Green Power Pack** and **Green Culture** reward funds by submitting documentation at the end of each period by 12/11/19, 2/12/20 and 4/15/20. **Power Packs**- schools may earn up to \$200 by implementing a Power Pack activity (Awareness Campaign, mini-fridge consolidation, Listening Session, improvement project) once per period. A school may earn three unique **Power Packs** per year. **Green Culture**- schools may earn up to \$40 for each of the five Green Culture activities (monthly energy audits, recycling, Break Shutdown Checklist, Light Leader, state environmental education or wellness program participation) each period. The awards may be invested into any student-driven sustainability improvement project with the final decision to be made by the school's Sustainability Coordinator and principal. Visit sustainability.fcps.net for full details on the program. All Go Green + Earn Green rewards are contingent on available funds.
