

GLENDOVER ELEMENTARY SCHOOL...

LET'S SPROUT

SPROUT IS A HEALTH AND WELLNESS FUNDRAISER FOR ALL STUDENTS!
YOUR SPROUT DAY IS OCTOBER 31ST.

WHAT IS SPROUT?

SPROUT is a student station rotation of Aerobics, Yoga, Dance, Tennis, Taekwondo, and a variety of other LOCAL businesses that provide activities for students. Classes rotate these stations and learn about the health benefits of each activity. Students learn that getting active is both a good choice and a lot of fun! They grow and SPROUT throughout the school day on October 31st.

How does my student raise funds?

A SPROUT Day is an incredible chance for students to try new and healthy activities.

Venturing out to experience these stations would require time and money (over \$75 per student), but SPROUT brings it all to school! In exchange for this great day and to support GES, students bring in donations from October 22nd - October 31st for their day of health and wellness. Rather than asking donors to pledge per lap, shot, or serve - we ask that donors give just a straight donation. To help raise funds, your student will compete by class and grade level for prizes & rewards. As your family collects donations, all Glendover students reap the benefits of SPROUTING! There are four collection days for SPROUT donations - 10/22, 10/25, 10/29, & 10/31.

Regardless of what each student raises, every student gets to SPROUT!

WHY ARE WE SPROUTING?

Glendover PTA provides many services for both teachers and students throughout the year, and we hope to fund the annual PTA budget. We are also in need of an additional swing set for our playground, as well as replacement Chromebooks for our students. At a cost of over \$250 each, we need your help...every bit counts!

Our school goal:\$20,000

How do we donate?

Cut out the appropriate challenge square and submit to your class.

Online Donations:

<https://kypta-glendover.memberhub.store/>
Cash or check. Checks payable to Glendover PTA.
Donations are tax deductible! Tax ID: 31- 1046844
