

## Glendover PTA

PTA For Your Child!

Hello!

It's time for another exciting school year to start and an important part of Glendover Elementary School is our PTA.

Of course, this school year is very different but more than ever Glendover's PTA supports critical academic needs, is an active voice on decisions that impact your child's health, safety and quality of education, and builds a stronger, more inclusive school community. We invite you to join and *PTA For Your Child* because increasing our membership, even by one, makes it possible to support 1:1 Chromebooks for all students, make upgrades on the playground equipment and give the teachers and staff grants, as well as tokens of appreciation. And in this virtual start to our school year, being a member of the PTA allows you to stay in communication with the school, teachers and other parents and have a voice in decisions that impact your child.

There is no wrong or right way to be involved – anything you can give, whether it's time or money, will support your child's potential. We invite you to join because we can do more together than apart. If you have been a member in the past, please consider joining again, each academic year is a fresh start. It takes less than 5 minutes, so when you are ready to renew your Glendover PTA Membership, or join for the first time, visit our online enrollment page at: <https://kypta-glendover.memberhub.store>.
