

ESS News and Information

ESS (Extended School Services) begins September 10th! Any student will be able to attend ESS sessions (dates and times listed at the end of this letter) to receive homework help or complete assignments for grade recovery. Students may come to as many or as few sessions as they need to complete their work.

Students who attend will have the opportunity to bring in work they need to complete or homework they are having trouble completing and receive help, access to school computers, or a place to work. **Students must bring the work they need to work on.** Teachers will be at each session to provide guidance as needed. If students come to a session without work, they will be given a general assignment or assigned to complete computer-based activities. Upon the 2nd time attending a session without work, the student will be asked not to return and the parent will be informed of this request.

Any student who wishes to attend must have written parent permission. A form is attached below. If you think this is a service your student might use (even once) your student may bring the signed portion of this form back and turn it into a team teacher or Mr. Richardson. The form will be kept on file and referred to should your student need to attend. (Returning the signed form does not obligate your child to attend ESS. It only means they have your permission to attend should the need arise. You and your child will still need to communicate with each other on a session by session basis.)
