DIRECTIONS

We all know that students should NOT take the summer completely off from learning—but learning in the summer should look different! Learning in the summer should be focused not on work and worksheets, but on LEARNING EXPERIENCES—and Lexington has TONS of summer learning experiences. Summer Reading is NOT mandatory at JCMS, but we sure hope you at least do something!

For each activity you attend or complete this summer—fill out a box and get it signed.

1 Completed Box = 1 Hoodie Pass for the 2019-2020 School Year!

1 2019 KBA BOOK = 2 Hoodie Passes!

Go to event—take booklet—get signed—parent signature.

Went to an event and forgot to take your booklet? No Problem!

Fill out the same information on a sheet of paper, GET SIGNATURES and staple/tape it to your booklet when you get home—we will still count it!

Parent/Student/School Honesty Contract

The only way a program like this can work and be effective is if everyone involved is HONEST.

Please—if you did not SEE your child complete the activity—do not take their word for it—quiz them—have them tell you about what they read/did—**please do NOT just sign because they ask you.**

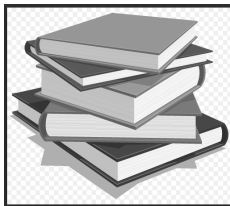

PARENT AND STUDENTS—PLEASE COMPLETE

I, _____, parent of _____, hereby solemnly swear to be honest on this document. I will not sign anything that I do not know FOR SURE took place.

I, _____, an honest JCMS student, solemnly swear to be honest about my summer learning experiences. I will not ask my parent to sign something that I did not participate in or complete—I will not ask them to lie for me.

Read This Summer

Don't forget—
For each 2019 KBA book you read,
