

## **WELCOME to the 2020 – 2021 School Year!**

*"The secret of change is to focus all of your energy, not on fighting the old, but on building the new." -Socrates*

Hello Lafayette Families! We are excited for the 2020-2021 school year to begin. While this school year will undoubtedly be different in so many ways, we are confident that all of our students will continue to learn, grow, and support one another.

Due to the current situation, we have decided to provide you all with digital links for all forms to be completed. Please click each link below to complete these forms.

**At this time school fees still need to be approved by the BOE. Once the BOE finalizes these fees we will communicate with families what their student's fees are and how families can pay these.**

Also note, please be sure the school has your most current address and phone number. Let us know of any changes as soon as a change has been made. Demographic changes need to be reported to the counseling office. Please contact Rebecca Frakes at 859-381-3481 or 859-381-3483 or email her at [rebecca.frakes@fayette.kyschools.us](mailto:rebecca.frakes@fayette.kyschools.us)

Lastly, if you need any technology help please contact the tech help line: 859-381-4410
