

Parent 411: Straight Talk about Social Media

- Can you identify the symbols at the bottom of this page?
- Do you know what a calculator can hide on your child's phone?
- Do you know what "leaving someone on red" means?
 - What does it mean to "slide up someone's DM"?

It seems that social media has taken over our kids' lives! We as parents need to be educated on the pros and cons of social media so we can help our children navigate the influence social media has in their lives!

WHAT CAN WE DO?

*Attend the Parent 411: Straight Talk About Social Media session at LHS (room 101) on Wednesday, September 18th at 7:00 p.m.

* This presentation will educate parents about current social media trends and offer tips on how to talk to your children and their friends about staying safe.

Call 381-4879 for more information or email Kathryn.chastain@fayette.kyschools.us
