

SCHOOL MEALS INFO

We know there have been so many changes out there and a lot of information in general, so we want to clear things up a bit! Below are the current rules for receiving SCHOOL MEALS!

- ❖ Anyone 18 and under is able to receive free meals-even if they are not an FCPS student!
- ❖ You do not need to complete any paperwork to receive meals!
- ❖ Adults can pick up the meals without children being with them!
- ❖ Adults can pick up meals for multiple children at the same time!
- ❖ Meals can be picked up at any location that is serving-it doesn't have to be the child's school!
- ❖ Meals are picked up on **MONDAYS AND WEDNESDAYS** from 11:00-1:00
On Mondays, you will be given breakfast and lunch-2 days for each child
On Wednesdays, you will be given breakfast and lunch-3 days for each child
- ❖ When we say hot meals are available, it only applies to the entrée of one of the meals you're being given that day. The meals for the next day(s) will be cold so that you can store them and heat when ready!

All you have to do to receive meals is pull up/walk up and let us know how many kids you need meals for! If for some reason, you are having a hard time being able to get meals, please contact us! We would be happy to try and help if we are able to!
