Dear *STEAM* Families,

January 27, 2021

Good Day! All students will be able to receive school-meals at no cost for the remainder of the 20-21 school year. HOWEVER, additional support, such as future approved issuance of P-EBT benefits, could be available for students who have a qualified Free/Reduced status on file. Additionally, it could help the school qualify for more funds for staffing and supplies. We are asking families who qualify and have not already filled out a Meal Assistance Application for the 20-21 school year, to do so at this time. At the bottom of this page is the annual income portion of the eligibility guidelines that may help you determine if your family should complete the application.

Apply online now at this direct link: <http://bit.ly/FCPSMealApp>

Please call our school for assistance at 859 381-3033 or contact Jessica Morgison (Child Nutrition F/R Programs Assistant) at 381-3838 or by email: jessica.morgison@fayette.kyschools.us if you have questions while filling out the online application.

Thank you,

Tina Stevenson
