Complete question 23 if the response to Question 10 is (i) and the school is applying for a waiver of the period of ineligibility according to section 2, subsection (i) Boarding School. Carefully read this exception, along with the request for information.

- i) **BOARDING SCHOOLS** - The period of ineligibility may be waived for a student entering a boarding school on a full-time basis as a boarding school student, or a student returning from a boarding school to the school attended immediately prior to enrollment in the boarding school; where attendance in the boarding school was required by order of the court or by recommendation of the principal of the school attended immediately prior to attendance at the boarding school.
- A boarding school is defined as a school that has an enrolled resident boarding school population in the ninth through 12th grades of at least fifty (50) percent of the full-time student body for each of the last four years.
- A boarding school must have appropriate dormitory facilities to house, feed and provide general living accommodations for boarding students, and must have properly trained supervisory personnel on duty at all times.
- A boarding school must be recognized as a boarding school in its own literature and must be verified by the Kentucky Department of Education and/or the Southern Association of Colleges and Schools.
- A boarding student, to qualify for the exception, must spend at least an average of five (5) days per week living and boarding on campus while school is in session. Coaches and other individuals employed by or associated with a boarding school's athletic program shall not serve as the boarding supervisor or otherwise live with boarding students in school housing.
- Only those schools that qualify as boarding schools as defined herein may provide any assistance for room and board to students who participate in interscholastic athletics and only if such assistance is based on financial need. In no other schools may room and board expense be included in the determination of school expenses and financial need.
- The Ruling Officer is required to have verification that the move to or from the boarding school is by order of the Principal (sending) or a court of competent jurisdiction in order for this exception to apply.
- Determinations of whether a student shall be granted a waiver pursuant to this exception shall be based on the circumstances existing as of the date of enrollment at the new school.

Complete question 25 if the response to Question 10 is (d), (e), (f), (g), (h), (i) or (j) is YES and the school is applying for a discretionary waiver of the period of ineligibility from the ruling officer. By responding Yes to question 26, I am attesting the I have reviewed all sources of information and that none of the situations listed below in (a), (b), (c) or (d) exist.

- A waiver of the period of ineligibility is not required to be granted for those students satisfying one of the exceptions in Sec 2:
- a) If the satisfying of one of the exceptions is used or manipulated for the purpose of gaining athletic eligibility;
 - b) If the change in schools is to nullify or circumvent implementation of Board of Education, School Based Decision Making or school imposed policy which would have resulted in the student's ineligibility at the sending school in accordance with KHSAA Bylaws or Competition Rules;
 - c) If the satisfying of one of the exceptions by the student and the parent(s) does not reasonably precipitate a transfer to the new school; or
 - d) If the change in schools is motivated in whole or part by a desire to participate in athletics at the new school, including:
 - (1) If a student participates on a school team that is coached by a coach associated in that same sport at a high school, and the student then transfers to the member school where the coach is employed (paid or volunteer at any level);
