Imagine, Believe, Achieve, Succeed

March 16, 2020

Dear Families,

In light of school cancellation, we know people have several questions. I'm sure I won't answer everything in this letter, so if you still have questions, just let me know.

AT HOME LEARNING EXPECTATIONS

All students received assignments from their homeroom teacher that they should complete over the next two weeks. These assignments include online work, as well as paper/pencil. They also were provided a packet from the district today, with activities for each content. These district provided activities are just a supplement in the event that students want additional activities after they have completed what their teacher has provided.

PACKETS AVAILABLE

If your students did not make it home with their assignments and packets or were absent, please contact their teacher by email so they can have one prepared for your student in the office to be picked up.

REPORT CARDS

We will not mail report cards home. Third quarter report cards will be sent home the week we return to school.

LUNCH AND BREAKFAST SERVICE

Multiple schools throughout the district will offer breakfast and lunch for students. Students were provided information for this service today, and it is also available on the school and district website.

IN CASE OF NTI DAYS

Our teachers will be developing additional assignments in case this school closure is extended, or in case another closure is warranted in the future. These lessons will be new content, and we hope to expand by developing more online options and video sessions to accompany the content. Teachers will be reaching out to parents about student access to a device for this online learning.

As always, we appreciate your patience during this unprecedented time. We are receiving information at the same time you are and will work through this difficult time together. We will get through this.

Sincerely,

Stephanie Urbanek

Principal, Meadowthorpe Elementary
