

Bus Bites

Knowing that food insecurity is a reality for many of our families, Fayette County Public Schools has developed a plan to provide breakfast and lunch for anyone 18-years-old or younger while schools are closed under these unprecedented circumstances. Boxed meals will be available for children at a total of 115 bus stops and 18 school locations throughout our community.

ANY child may eat at ANY site in the district. The bus stops and designated school sites can feed ALL age levels between 0 and 18. No pre-orders are required.

We will serve lunch only on Monday, March 16, 2020. Twice a day service will run March 17-20, 2020 and March 23-27, 2020. It will not take place between March 30 and April 3, while schools were already scheduled to be closed for spring break.

Menu

- Breakfast will consist of a cereal pack with juice, grain and milk.
- Lunch will consist of sandwich, wrap or pizza kit with fruit, juice and milk.
- Due to allergies, peanut butter and pork will not be served. If a student has other allergies, they will need to proceed with caution.

School Bus Delivery

- Breakfast and lunch will arrive via school bus to delivery sites at the specified times.
- Meals must be picked up during the site's scheduled 15-minute delivery window.
- Every effort will be made to run the routes in a timely manner, but adjustments may be necessary due to the volume of meals served.
- Children must be present to claim their meal.
- Adult meals are not available.

Meal Service School Locations

- Meals will also be made available for pick-up at several schools.
- Breakfast will be served from 8 a.m. to 9 a.m. and lunch will be served from 11 a.m. to 12:30 p.m.
- Students must be present to claim their meal.
- Meals will be available at the front entrance of the following schools: Arlington, Booker T. Washington, Breckinridge, Cardinal Valley, Glendover, James Lane Allen, Julius Marks, Lansdowne, Mary Todd, The Academy for Leadership at Millcreek, Northern, Southern, Squires and William Wells Brown elementaries, LTMS and Winburn middle schools, Bryan Station High School and the Tates Creek Campus (under the awning between the middle and high school).

Bus Stops

This list is organized alphabetically by schools located in areas where we serve high numbers of students living in poverty. These schools are only landmarks to assist families in finding the location most convenient for them. Any individual 18 years of age or younger is welcome to come get a meal at any of the stops, whether or not they attend the school nearby. Children must be present to receive a meal.
