

# Sandersville Elementary School

## Hybrid Model Re-Entry Plan

### Sandersville Elementary

#### Arrival to School

Staggered arrival times:

- Bus riders at 7:05 am
- Car riders at 7:20 am
- Walkers at 7:30 am

**Students will be reminded to keep their masks on as they enter the building.** All students will use the front entrance so staff can utilize thermal temperature scanners for touchless screenings.

Students being dropped off by buses with monitors will have already had their temperatures taken. Students will then use the front entrance where their temperature will be monitored a second time using the thermal scanner, retrieve breakfast, and proceed to the classroom. If any student arrives at school with a fever or demonstrates COVID-19 like symptoms, he or she will be escorted to the isolation room inside the nurse's station via the front office.

#### Serving Meals

##### Breakfast

Breakfasts will be grab-and-go in the front hallway meaning all items will be packaged together for quick retrieval. Students will eat in their classroom at their desk. There will be two serving lines, one for each hallway.

##### Lunch

A staggered lunch schedule will allow for the least number of students possible in the cafeteria. Students will sit in an assigned seat on a daily basis. Students will be spaced so that social distancing guidelines are followed. Students will come in through a single entry door. Cafeteria staff will help monitor distancing and floors will be marked with tape in six foot increments. Lunches will be single serve meals, with disposable containers and plastic ware. Self-service food stations and condiment stations will be removed. Students will approach the register and share

	<p>their milk choice. Keypads will not be used. Students will exit through a single door.</p>
