## So Much To Do, So Little Time...

Dear Sandersville Families,

By the time this note reaches you, we will have less seven days of learning left with your students. Teachers and students are working hard to make sure they are prepared for next year.

On top of the teaching and learning, we are completing KPREP make-up tests, have Kindergarten Promotion, Fifth Grade Graduation, and much more.

We have included details about our special events and end of the year programs in this newsletter. As always, reach out to teachers, email me, or call the front office if there are any questions.

Sincerely,

Mr. Marsh, Sandersville Principal

## News, Notes, and Reminders

**Kindergarten Promotion-** FCPS Elementary Schools are not allowed to have visitors for end of the school year programs and activities, but we will still celebrate the hard work for the year. The Kindergarten Team will have a program on May 17th that will be recorded, uploaded, then shared with parents. Email your child’s teacher with any questions.

**Fifth Grade Graduation-** Due to the restrictions stated above, our Fifth Grade Team will also hold a ceremony to be recorded, on May 18th, that will be shared. Teachers will communicate any additional information to their class and families.

**Summer Ignite-** Summer Ignite Registration is now closed. Families that have registered for Summer Ignite will get more information from our coordinators, Ms. Williams and Ms. Buckler, very soon.

**Class Placements-** Our SBDM Policy on Student Assignments states, “The principal may use parental requests that must be submitted in writing by May 1 of the preceding year.” The deadline is extended to May 17th this spring. Any request made must focus on teaching and learning styles or classroom environments and not be a request for a specific teacher. Email requests to [matt.marsh@fayette.kyschools.us](mailto:matt.marsh@fayette.kyschools.us).

**Family Resource Center Grant-** Our FRC is applying for a grant to provide professional grief support services for our students and families at Sandersville Elementary. We need your help! [Please complete a short survey](#) (6 questions), one per child. The survey is to be completed by a parent or guardian. It will take less than 5 minutes. The survey deadline is Friday, May 14, 2021.

**Registration for 21-22-** Registration for the upcoming school year can be found on our [school website](#) with more specific information on a [dedicated district page](#).

**PTA News: SBDM Parent Election-** One of the many ways our PTA supports the school is through running the School Based Decision Making (SBDM) Parent Election. The SBDM is a decision making group for Sandersville that is responsible for tasks such as reviewing or creating policies, approving decisions around budget and staffing, and writing and monitoring the annual School Improvement Plan which is required for all schools. Please vote for our SBDM Parent Representative at [this link](#).
