Thank You for a Strong First Month

Dear Sandersville Families,

It is hard to believe students have been back to school for nearly a month. Your children have done a wonderful job getting back into school routines, completing classwork, and following safety guidelines.

Personally, I want to thank the families impacted by positive cases or school quarantines. The overwhelming majority have been transparent and/or gracious when called by our school. The difficulty of running a school while dealing with COVID-19 has been made easier by the support of our wonderful families.

As always, feel free to call the school at 381-4980 or email matt.marsh@fayette.kyschools.us if there are questions or any assistance is needed. I'm looking forward to a great 2021-2022 school year!

Sincerely,

Mr. Marsh, Sandersville Principal

Students will receive prizes based on the number of items sold.
