## Conference Time at Sandersville

Dear Sandersville Families,

In many ways it is hard to believe that November is here and we are into our second quarter of the school year. First quarter report cards went home last week and many teachers are scheduling conferences this month.

Be on the lookout for communication about conference times so you are able sign up for a session. Come to the conference with a few questions that are most pressing, but also ask how you can support your student at home. Something like helping practice math facts or designating a time for nightly reading could go a long way in supporting your child. Remember, families never have to wait until a conference to ask questions about progress.

Feel free to email [matt.marsh@fayette.kyschools.us](mailto:matt.marsh@fayette.kyschools.us) or call the school at 381-4980 if any assistance is needed.

Sincerely,

Mr. Marsh, Sandersville Principal

will be able to shop on other days, as needed. The book fair allows students to bring home books they want as well as help the library build its collection. Students may pay with cash, check (payable to Sandersville), or through the eWallet. Visit our [book fair website](#) to set up your student's eWallet.

## Science Fair Updates

After missing a year of investigation due to Covid-19, we are excited to resume the District Science Fair. This year Science Fair participation will be OPTIONAL for all 4th and 5th grade students. Students in younger grade levels are not eligible to compete at this time. If your student is interested in participating this year, guidelines will be reviewed with 4th and 5th grade students in our STEM Lab. Informational packets detailing steps for the will be sent home. A Family Informational Meeting will be held via [ZOOM](#) on November 11 at 6:00 pm. The District Science Fair will be held at Frederick Douglass on 2/12. District Covid-19 safety guidelines will be enforced. Please reach out to Mrs. Guskey, [abbie.guskey@fayette.kyschools.us](mailto:abbie.guskey@fayette.kyschools.us) if you have questions.

**SBDM Committees-** Interested in serving on a committee once a month? Email Mr. Marsh for more information.

## Tardies, Early Sign Outs, and Absences

School attendance policies are driven by state regulations with funding implications connected to average daily attendance. While we understand, now more than ever, there may be a need to miss school for illness or appointments, send letters or notes within 3 days of an absence or tardy. FCPS Policy states "a student shall present a written note to the front office, signed by parent/guardian or licensed healthcare professional, that should include: **Date, student name, reason for absence and guardian signature.**"
