Principal's Message

Dear Sandersville Families,

It is hard to believe students have been back to school for three weeks! Our students have done a wonderful job getting into school routines, completing classwork, and following safety guidelines. We also want to thank our families for following arrival and dismissal procedures, bringing ID for student check-out, and sending in doctors' notes after absences.

Our office hours are 7:15-3:30 each day. Feel free to call the school at 381-4980 if any assistance is needed.

Sincerely,

Mr. Marsh, Sandersville Principal

Fall MAP Assessment

As the school year begins, we are taking the MAP assessment in **both reading and math**. We give this test to the students in the fall, winter, and spring. It gives us a snapshot of what each student knows and what they are ready to learn next. It also helps us measure students' progress throughout the year. How can you help your child with this? **Make sure they are present and well-rested on their testing days, ready to put forth their best efforts!** If you are interested in learning more about the MAP test, check out their [Family Toolkit here!](#)

English Learner Night

We are excited to invite families of our English Learner students to Sandersville for a **night of great fun and important information!** Teachers, along with Nepali, French, and Spanish interpreters, will be providing information on topics like attendance and report cards. Staff will also be present to assist with filling out necessary paperwork and answer any questions you may have. There will also be pizza, crafts, a free gift, and the book fair! We look forward to seeing you on **Tuesday, September 13th, from 5:30-6:30!**
