## Principal's Message- Kentucky Summative Assessment

Dear Sandersville Families,

It is hard to believe we are in the final weeks of school. **I want to thank everyone for your efforts in making this a successful and safe school year.** Through mask wearing, contact tracing, and overall student support, Sandersville families have been wonderful!

While busy, May is an important month for our school. All Kentucky students will be taking the **Kentucky Summative Assessment (KSA)**. This test was developed by Kentucky teachers and align with the Kentucky Academic Standards in each content area. These assessments are Kentucky's measure of student proficiency and progress on the state content standards. KSA is the annual assessment given in grades 3 through 8, 10 and 11. KSA provides content area assessments, including reading and mathematics (grades 3 through 5), science (grade 4) as well as social studies, editing/mechanics, and writing (grade 5).

**Students at Sandersville will complete their tests during the week of May 9th-12th. Please ensure your student is well rested, present, and on time during this week of testing so they are prepared to do their best.** Additionally, students will be required to turn off and put away all cell phones and smart watches.

Feel free to email [matt.marsh@fayette.kyschools.us](mailto:matt.marsh@fayette.kyschools.us) or call the school at 381-4980 if any assistance is needed.

Sincerely,

Mr. Marsh, Sandersville Principal
