After School Program “Dolphin Club”

Dear Southern Families,

Due to students distance learning for the beginning of the school year, Southern Elementary will not operate Dolphin Club – our afterschool care program. We are committed to the health and safety of our students. Opening Dolphin Club would put students in a potentially unsafe situation. We hope to open Dolphin Club and return to normal operations once we return to school in person.

Southern Elementary is committed to following the Governor’s guidelines, the CDC’s guidelines, and the Health Department’s recommendations. Looking ahead, when we do return to school in person, we will use the first week of return to reestablish our procedures and safety precautions. Ideally, Dolphin Club would begin the second week when we return to school.

Thank you for your patience and understanding.
