

Yates Elementary
Transportation Information
2022-2023

For the safety of our students, it is necessary to know how each student is transported to and from school. Please mark the mode of transportation for your child. It is critical that all information is completed on this form. Thank you for understanding that we have adopted these procedures to keep all of our Yates students and families safe.

If your child's transportation changes, a note signed by the parent must be written to the teacher. Otherwise, your child will be sent home as indicated on the transportation form. ***Transportation changes cannot be made over the phone, by email or requested after 1:45 p.m.*** Parents can send a picture of a handwritten note, signed by the parent, via Dojo. This Dojo note must be sent before 1:45 p.m.

Please DO NOT park or walk up to the front door to pick your child, if your child is a car rider or walker. All car rider students must be picked up at the car rider door. If you want to park and pick up your child, you must classify your child's transportation as a walker, and they are picked up at the Intermediate Tower exit. Parents must park in the middle parking lot for this. Late car rider students will be signed out at the back exit. Late car rider students will not be signed out at the front office.

Arrival

The car lane is for drop off only. There is not adequate space to park and walk students into the school. Upon entering the car lane, pull up to the next available traffic cone to drop off your child, and stop at the curb. PLEASE stay in the line of traffic, and let your child out as soon as possible. This will expedite the movement of cars. When leaving the drop off lane, be mindful of our walking students.

Dismissal

Car Riders: For dismissal, cars picking up students must pull to the cones in the circle. **Every car must have a Yates number tag displayed on the front windshield hanging from the rearview mirror.** Car rider pick up numbers are available at Back to School Orientation, or from the front office. This number must remain in the car every day. **If a car does not have a number, we will ask you to park your car, come to the office, and show proper identification to pick up your child.** Please do not bring the car tag number to the front office to pick up your child, unless there is an emergency.

Walkers are dismissed from the rear Intermediate Tower door. If a primary student has an intermediate sibling, the intermediate sibling will escort the primary student to their home or parent. Please use the crossing guard to cross Eastland Parkway. **All kindergarten walkers must be released to an adult.** All adults must show photo ID to pick up a kindergarten student. In order to keep the traffic moving, and children and families safe, we also ask that you ***only cross streets using the designated crosswalks.***

**Yates Elementary
Transportation Verification Form
2022-2023**

Student's Name: _____ **Date:** _____

Homeroom Teacher: _____

Please circle how your child will be transported EVERY day. **Please select only ONE way per day.** Any changes in the way your child is to be transported home **MUST** be submitted to our office in writing and signed by the parent/guardian before 1:45. **No changes in transportation can be accepted over the phone or by email. Written transportation changes must be made before 1:45 p.m.** A photo of a written note signed by the parent can be sent by Dojo to the classroom teacher. The Dojo note must be sent before 1:45 p.m..
