# A Celebration of Black History

On Friday, March 12, 2021

## Why is this important?

Because learning black history is important and valuable for all students, we will not limit it's celebration to one month each year. Instead we will celebrate black history year-round as an important part of world history.

- 10 am- All Virtual Learners will view the presentation via Zoom, hosted by Ms. Ault. The Zoom Link for Virtual Learners is posted on the Living Calendar. Teachers will post the Virtual Learner Zoom Code in Google Classroom.
