

February 10, 2021

Good Morning VPE Families,

Yesterday evening FCPS announced we will be able to begin a graduated return to in person learning for **K-2 students on Tuesday, February 16**. During the week of February 16, all K-2 students who previously indicated they would be returning to in person learning will come to school. Our K-2 students who chose to remain remote will follow the grade level remote schedule that is being shared by homeroom teachers. Finally, our third, fourth, and fifth grade classrooms will continue learning through their current NTI/2DL schedules with the possibility of an in person return as early as March 1.

Last week I shared the documents below for your review which families will want to make sure they are abreast of prior to returning next Tuesday. The Return to School Video below will help our families and students visualize certain health and safety changes. The Condensed Family Overview of these safety protocols as well as the full Veterans Park Elementary Return to School Document can be found below and on the VPE website.

We continue to work as a school to ensure the most consistent continuation of instruction regardless of the mode chosen. As we now officially return next week with K-2 and 3-5 to follow potentially March 1 there are schedule changes we want to ensure families are aware of. The VPE staff realizes that many families will have questions about the return so we have scheduled parent information sessions starting with our K-2 families this week and with 3-5 meetings the following week. All sessions will be recorded and posted on our school website if you are unable to attend live.

Additional Information

- **Supply Lists:** In preparation for returning to school, our Supply Lists have been linked to our school website. They can be found [HERE](#). We ask that all supplies be sent into school in a gallon ziplock bag labeled with your child's name. If you need assistance with school supplies, please contact Edie Brown in the VPE Families First Resource Center. edierah.brown@fayette.kyschools.us
- **Health Assurance Form:** Please complete the Health Assurance Form for your child. The form can be found [HERE](#) and **must** be completed for your child to return to school.

Finally, for those families who have been picking up food for their families during the Monday/Wednesday lunch pick ups please note today is our last day to pick up at VPE. There will be other locations families can go to pick up food starting Tuesday, February 16th. Please see the [attached flyer](#) for more information.

If you have any questions or concerns, please feel free to reach out to me at molly.dabney@fayette.kyschools.us or call the office at 859-381-3161.

Thank you,

Molly Dabney
