

2018/19 RPE Clubs and Extracurricular Activities

Chess Team: Open to students K-5. Informational flyer sent home at the beginning of the year about which grades need players. There is a try-out process and players are selected based on behavior, sportsmanship, coach-ability, interest, potential and experience. Season runs from Sept. - May. Practices are held after school. Contact: Alan Trimble alt1978@aol.com

Chorus: Open to all students in 3-5 grades. Students will meet every Thursday after school to practice for the Winter Concert (in early Dec.) and the Spring Concert (in mid-April). Students may also have the opportunity to sing the National Anthem at various sporting events around town. Information is sent home via ALL 3-5 graders in Sept. and Jan. Contact: Lisse Lawson lisse.lawson@fayette.kyschools.us

Battle of the Books: Open to students in 3-5 grades - anyone can join. Information is sent home during library classes. The season runs from Oct - April/May. Students will meet either before or after school once a month to discuss a set list of 12 books. Will have a question/answer "battle" over comprehension questions of all books read at the end of the season. Contact: Katy Hollinger katy.hollinger@fayette.kyschools.com

Robotics: Open to students in 4-5 grades - limited to 10 students. Information/applications are sent home during STEM classes. The season runs from Oct. - Spring Break. Students will meet weekly after school on Mondays. Contact: Jeff Hollinger jeff.hollinger@fayette.kyschools.us

STLP / Digital Products: An independent study for students in 3-5 grades. Students work on in their free time at home Digital Art, Photography, Storytelling or Music. Similar to the Reflections Contest - submissions will be judged at the school level - 2 winners will be selected to go to state. Information will be sent home during STEM classes. Contact: Jeff Hollinger jeff.hollinger@fayette.kyschools.us

Green Team / Sustainability: Open to students in 4-5 grades. Limited to 15 students. Applications will be sent home via STEM classes. Students will meet once every other month and conduct energy audits throughout the school. Contact: Jeff Hollinger jeff.hollinger@fayette.kyschools.us

Girls on the Run: Open to female students in 3-5 grades. A confidence building running program that works with girls to work on conflict resolution, managing emotions, life skills, and developing a love of physical activity. Girls will meet weekly after school and work towards running a 5K over a ten week period while also working on a community service project. Information is sent home via all 3-5 grade girls in Fall and Spring. There is a cost to join. Contact: Brandy Gordan brandy.gordan@fayette.kyschools.us

Cross Country Team: Rosa Parks offers a competitive cross country running program which meets August through October. Practices are Monday/Thursday, competitions on Tuesday/Saturday. Races vary from 1500-3000 meters. There is a cost to join. Anyone interested in participating can contact Jane Estep at janeestep@gmail.com or Christy Morris at christy6@me.com

Governors Cup Academic Team: Open to students in 4-5 grades. Space is limited. Try-out tests will be given. Students will compete in Written Assessment Examinations, Composition (on demand writing), Quick Recall and Future Problem Solving. Information is sent home via 4th and 5th grade teachers in the Fall. The season runs from September - March. Students will meet twice a week for practices.
