

Advanced Algebra 2 Summer Assignment

In order to be prepared for Advanced Algebra 2, students need to complete the PLD Summer Review of Algebra 1 by the first day of school, tentatively set for August 12, 2020.

Go to www.deltamath.com to set up a student account (if you don't already have one) and use the code 753090 to join the class "PLD 2020-21 Advanced Algebra 2 Students." There are 75+ problems for you to complete, but they do NOT need to be completed in one sitting.

Delta Math has a couple of help features in case you get stuck or just need a quick refresher. One is "Show Solution" and the other is "Watch Help Video."

Your Advanced Algebra 2 Teacher will be giving you a test over this content on Day 3 of school in the Fall. Be prepared!!
