## Fayette County Technical Centers

Fayette County is privileged to offer three technical centers: Eastside, Locust Trace, and Southside. The programs and pathways available at these schools are described in the course directory & CTE Pathway Reference Document, which are available on the Dunbar website. If you choose to attend a technical center, you will spend ½ of each day at the technical center and ½ of each day at Dunbar. Bus transportation is provided between Dunbar and the technical centers. An application is required and available online. You will indicate your 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> choice pathways on the application. You can also choose to take one of your core classes at the technical centers as listed below. If you attend a technical center, this can replace your required CTE course at Dunbar.
