Come fly with us at

Aviation Camps 2018
Aviation Museum of Kentucky
Blue Grass Airport
Lexington, KY

April, 2018

To school counselors:

You are the only person being contacted in your school. Please forward this information to those who would most likely know of students who are interested in aviation/aerospace. All students are eligible.

- Aviation camps are two (2) days in length and enroll students ages 10 through 16.
- Time is 8:30 until 3:30 daily with 6 camps conducted in Lexington in the month of June.
- STEM Topics include: science of aeronautics, navigation, flight simulation, aircraft design, NASA engineering space challenges, museum exhibits, air traffic control and more
- Actual flight lesson in a Cessna 172 airplane - provided by Eastern Kentucky University
- Provided - lunch, snacks, camp t-shirt, class handouts, museum admission
- Cost for camps at Bluegrass Airport location - $229. See website for cost of other camps.
- REGISTRATION is done online at www.aviationky.org. Click on 'camp' to enroll.

Some financial aid scholarships are available. The applications for those are also available on the website once a particular camp is chosen. See the instructions there.

For further information, you may call the aviation camps number at (859) 353-0467 or email camps2018@aviationky.org.

Best Regards,

Ed Murphy
Director - Aviation Camps

Kurt Jefferson
Camps Registrar and Teacher

Enclosures: Poster Page for Aviation Camps 2018 (This is the 23rd year of aviation camps!)

with dynamic aerospace education programs for all ages, to serve as Kentucky's focal point for the presentation and preservation of aviation history, and to promote the state's aviation industry.
