

FCPS District Safety Council Meeting - March 22

Social Media

Post it note comments

SUMMARIES

POTENTIAL ACTION ITEMS

- Educate parents on social media
- Leverage student peer to peer relationship
- Find a way to get ahead of the posting activity

MAJOR TAKE-A-WAYS

Across the board - no consensus - see all notes below

POTENTIAL ACTION ITEMS

- Educate parents about social media
- Educate parents on social media
- Educate Parents on social media (Find Creative Ways)
- Educate students on lasting impacts of social media
- Educate students on penalties for making threat and on cyber bullying
- Educating parents on social media
- Encourage local media to educate about social media
- Establish a policy that requires a person who has posted on social media, concern/issue to have a mandatory behavior health consult
- Hold parents accountable and things can change
- How can we educate parents? What's our first step?
- Let students know its not a "snitch" thing, it's the right way
- Mentor student to parent
- Need law changes enabling Law Enforcement to identify IP addresses immediately
- Peer to peer PSA
- Possible way to prevent these threats from being posted
- Provide social media advice for parents
- Saturate the community on the concept of see something , say something
- Social media classes for parents
- What early intervention do we need concerning social media in elementary school

MAJOR TAKE-A-WAYS

- 1 Education 2. Communication 3. GAP – those who fall through cracks
- Audience should be parents

Build and develop relationships; students, parents, school staff, law enforcement
Kids are empowered due to lack of response
Once again it comes back to relationship
Social media hides people and broadens reach
Social media is used as "community building"
This is a behavior/character issue.
Threats come from anyone, anywhere, anytime

QUESTIONS

Deterrants to misuse of social media?
False positives? - Prevention
How often are juvenile being prosecuted for cyber bullying or threats
Kids being labeled as "snitch"
Using Pictures/explicit pictures for blackmail?
What is the line between student 1st Amendment Right and cyber bullying?
