

## SCAPA 4th Grade Reading List 2021-22

Please choose at least three of these books, besides Mr Popper's Penguins, which is required for all 4th grade students. After reading each choice, write a three paragraph reflection expressing what you enjoyed about the book, which character you related to most and whether or not you would recommend this book to another student. These reflections should come to you at school when we start back in August. Enjoy reading and have a great summer!
