March 13, 2020

Dear Families of Success Academy,

The Governor has announced that out of an abundance of caution to help prevent community spread of COVID-19, all schools in Kentucky will be closed beginning March 16 and will not reopen until April 6, 2020. This decision is not in response to a specific public health threat in our schools, but is an action to implement social distancing statewide.

With that being said, we have developed an action plan for students to continue working throughout the weeks that we are off site, being that students will continue to have full access to Odysseyware and access to all staff. Success Academy students are expected to complete a certain amount of work and/or *actively* working for a specified amount of time (with completed and passed assignments, quizzes, and/or tests) within a week's time (being Sunday through Saturday evening). You will find the course completion requirements below.

All lessons, quizzes and tests will be unlocked to ensure that students are not delayed in completing coursework.

Within a weeks time (7 days), all students are required to complete all of the following bullets:

- 7 lessons w/ passing scores
- 4 quizzes w/ passing scores
- 2 tests w/ passing scores (does not include pre-test)

## **MATH INSTRUCTION ASSISTANCE**

Ms. Linville with Opportunity Middle College has made herself available via Remind and telephone to help students with math. Students are able to upload screen shots and discuss by phone when you need assistance. The Remind code is BELOW and the phone number is listed below. I am so grateful to have this assistance.

If you have a smartphone, get push notifications.
