

*Dear JME Parents,*

*Thank you for assisting your child with our Jump Rope for Jaguars fundraiser. This is a very worthwhile event that helps our students in many ways. Jump Rope for Jaguars pays for our Fun Day in the spring, buys new equipment for the physical education curriculum, and supports our "Minds in Motion" program, as well as helps out the American Heart Association.*

*We will celebrate Jump Rope for Jaguars 2019 from February 8 through February 15 during our physical education class times. Please assist your child to get packets turned in during that time frame if possible. Late packets will be accepted, however, and we have extra packets in the event that they have been lost.*

*Thanks again!*

*Steve Sauber  
Physical Education Instructor  
Fun Day Coordinator*
