

To everyone in our School Community (Parents, Students, Families, Faculty, Staff, & Community Members),

Our school is developing a grant proposal to create/continue/expand a 21st Century Community Learning Center (21st CCLC), funded by the US Department of Education through the Kentucky Department of Education. If we are selected for funding, our 21st CCLC Program will provide a variety of services to students in grades 6-8th and their families. Student services will provide academic, Science, Technology, Engineering, Art and Math (STEAM) activities, and cultural enrichment opportunities including:

Academic support in reading and math	Homework Help	Tutoring
Arts & Humanities	Health and Fitness	Cooking
College and Career Readiness	Mentoring	Skill Building for parents
Educational Opportunities for Parents	Metro C.A.T.S- UK engineers	Clubs
Guest speakers	ACT Workshop	Fieldtrips and more

Come find your niche

Family services will include financial literacy, parent involvement in education, and learning opportunities, including:

How to help your child with homework

Resources for Parents- ACT/SAT/PSAT, what to expect for their child transiting to college, FAFSA/ Scholarship information, what parents need to know middle to high school transition, College/Career Readiness, preparing them early and what the parents should look for when helping their child choose a college

How to support your teen with managing emotions and refusing peer pressure

How to navigate Infinite Campus

UK Trauma Stop The Bleed- It's a program that provides bystanders with the simple steps they can take in an emergency situation to stop life-threatening bleeding. It also includes a hands-on portion where individuals practice putting on CAT tourniquets and practice stopping the bleed using Trauma trainer legs and compression techniques

Learn about SWAG'S mission to save the youth population by promoting awareness, education, and prevention of violence

Housing Authority Job Skills Financial Literacy Family Literacy

Parent learned about local food, programs/financial help for purchasing local food, food literacy and cooking strategies for healthy food

Arts/Crafts Activities

If you would like to know more about our planned program, please contact Philinisha.lindsey@fayette.kyschools.us or at 859 381-3192.
