

November 5, 2021

Dear Fayette County Public Schools Families:

With the recent federal approval of the COVID-19 Pfizer vaccine for children ages 5-11, Fayette County Public Schools is partnering with Wild Health, the Lexington-Fayette County Health Department, and HealthFirst Bluegrass to offer free vaccination clinics in convenient locations throughout the community from 3 to 6 p.m. on Wednesday, Nov. 10. A second round will follow on Wednesday, Dec. 1. A parent or guardian must be present with a child between the ages of 5 and 11.

Nov. 10 from 3 to 6 p.m.

Vaccines available for children, adolescents, and adults
