

Dear Liberty Families:

With the possibility of inclement weather, the district, schools, and teachers are prepared for NTI (Non-traditional Instruction) days. Below is some information you need to help your student/s be successful on these days:

- 1. Chromebooks will come home with students anytime the district notifies us of the possibility of weather that would cause us to call an NTI day (some grades already send chrome books home regularly as they are using Google Classroom as part of their daily instruction).**
- 2. NTI criteria set by the district is as follows:**
 - Asynchronous-this means assignments will be given via Google Classroom OR a packet of work sent home. No live instruction will occur.**

NO new material will be delivered (unless your child's teacher has already established a procedure for this on NTI days).

Elementary Teacher Office Hours: 8:30-10:30 am
This means your child's teacher will be available via Zoom during this time for questions about the work or clarification.

How a student logs into Zoom for Teacher Office Hours:

Login to your Google Account

Click on the Waffle and open Zoom by clicking on the

Launch

Meeting button or **Join From Your Browser** link.

Teachers will go over this information with students.

If you have any questions, please feel free to email your child's teacher.

Teachers are NOT required to be in the building on NTI days. Unless the weather is extremely bad and all are encouraged to stay home, I will be at school.

Thank you for your support and I hope you ALL have a Happy Holiday Break. I hope you get some much needed rest and time with your family. If you are travelling, please be safe and bring your precious children back to us on Tuesday, January 3, 2023.

**Happy Holidays,
Mrs. Kear
Principal**
