

# Calling All VOLUNTEERS!

We Need You!

Southern Elementary would love to have you volunteer your time to our students. Classroom small group assistants, classroom teacher helpers, classroom event helpers, field trip chaperones, etc. are just a few opportunities available. The first step in becoming a volunteer is completing the online background check. Please visit <http://webapps.fcps.net/volunteer/>. Once you have gotten your background check approval you would then email your child's classroom teacher to schedule a time to volunteer.
